Requester Signature _____ Date _____

Manager Name _____

After signing this document, please attach it and the Tableau Attestation to an email with a subject line of "Tableau Access Request" and forward it to your manager. Your manager should then review the request and if approved, they should forward the email to dia@kenan-flagler.unc.edu, type "approved" in the body of the email, and include both the signed Attestation and Dashboard and Report Request Forms. You will receive instructions via email on how to access approved dashboards via Tableau following permissions provision.
